# Look deep into these eyes and let them look into yours!

Look into these maternal eyes. They understand your afflictions and concerns. They know you as a mother who loves and cares for her child. They are full of compassion, love and, above all, hope!

Open yourself to this gaze and have confidence in this mother. She will provide a remedy for every defect, help for every problem, hope for every affliction.

Who is this mother? She is the Mother of God and our mother, who is so well represented by this statue of Our Lady of Fatima.

100 years ago, in 1917, Our Lady appeared to three shepherd children at Fatima, Portugal. She foretold the wars and chaos happening today. And she gave us the solution:

**“Pray the rosary every day to obtain peace for the world and the end of the war.”**

In each of the six apparitions, she insisted on the necessity of the daily recitation of at least 5 decades of the rosary.

**Weighed down by the many trials and difficulties of modern life? Then pray the rosary!**

**\*** To **commemorate the Centenary** of Our Lady's apparitions at Fatima we are offering a beautiful, blue glass bead rosary with a special commemorative centenary medal (as illustrated).

You will not find this special Fatima Centenary rosary anywhere else! It comes in a convenient plastic pouch with a bookmark listing the traditional 15 mysteries of the Rosary (plus the optional 5 Luminous mysteries) with colour illustrations for each mystery (as illustrated overleaf).

**Only £4.25 ea. (RRP £6.25)**
